## Activation Successful

[Print this page](#)

**Congratulations! Your phone has been successfully activated.**

### Account Details

Be sure to write down your GoPhone wireless number or print this page before proceeding.

**Your New Wireless Number:** 619-306-9217

**Your New Passcode:** 9217

**Your Rate Plan:** 10¢/Minute Plan

Your account passcode is the last four digits of your wireless phone number. You will need this passcode to access Online Account Management ([att.com/mygophone](http://att.com/mygophone)) and Automated Customer Service (1-800-901-9878) from a wireline/landline phone.

GoPhone service from AT&T is subject to Terms of Service. A printed copy of the Terms of Service is included in your User Guide in your GoPhone package.

If your phone purchase includes an airtime credit, it will be applied within approximately one hour. Airtime credit will expire 90 days from the date it is applied to the account.

### Add Money

To use your newly activated GoPhone, you will need to add money to your account (or, if applicable, you can wait until airtime credit is applied). GoPhone offers Pay As You Go customers several means of adding money. You can:

- Set up Auto Refill using a credit card, debit card, or checking account
- Use a Pay As You Go Card or PIN receipt
- Make a one-time payment using a credit card, debit card, or check

If you would like to add money to your account now, please click the 'Yes' button. Selecting the 'No' button will redirect you to the GoPhone Pay As You Go website to sign up for Online Account Management.

### How to Add Funds

You can add money to your account in several convenient ways:

**Directly on phone** - get quick access using the Mobile Care icon  
**Online** - go to [att.com/mygophone](http://att.com/mygophone) and refill using a credit or debit card

**Dial 611** - Call 611 from your phone and add money with a credit card, debit card or e-check

**Refill Card** - Purchase a GoPhone refill card or PIN receipt from over 200,000 locations nationwide.
